

Travel to Interpersona in Stockholm

Most of our customers from outside the Stockholm area will arrive to the main airports of the larger Stockholm area

If you arrive at the international **Arlanda Airport** you have a choice of train or bus where the travel time to central Stockholm is approximately 35 to 45 minutes. Once you arrive at the central bus or train station in Stockholm you can walk or take the underground to the Interpersona location. The walk will take approximately 35 minutes.

If you arrive at the **Bromma city Airport**

Take bus 110 from the airport to Alvik. At Alvik you change to the underground [green line](#) towards Skarpnäck. You get off at T-centralen. At T-centralen you change to the underground red line towards Mörby Centrum/Ropsten and get off at the Östermalmstorg station 2 minutes later.

If you arrive at the **Skavsta airport**

A bus will take you to the central bus station of Stockholm. Approximately 80 minutes travel time until you arrive at the Central bus terminal. Walking distance to T-centralen

Underground

From the main underground hub of T-centralen you select the underground [red line](#) towards Mörby Centrum /Ropsten. You get off at the Östermalmstorg station. Travel time for the trip is 2 minutes. Approximately 500 meters to Interpersona
